

Daryl Thuroff
Pacific College
110 William Street. NEW York NY

New York Woodwork, Inc was very professional from start to finish. David, my main contact, was very reliable. He took detailed notes and measurements before offering a quote that was accompanied by sketches and photos of similar jobs he'd already completed. The cost of the project was reasonable and turn around time was only 2 weeks. Installation was done quickly and efficiently. David was a pleasure to work with. I recommend NY Woodwork without reservation.
